JOIN THE FUN ONLINE AND CATCH THE CAMP SPIRIT!

This summer, we are offering our camps live online using video conferencing. The way camp operates will be different, but the spirit of camp will remain the same.

Camp will feature fun activities like music, arts & crafts, fitness programs, dress up days and special guests. We have a grant from Crayola to fund a teaching artist who will lead us through a variety of art projects. We will be taking virtual field trips and have guest speakers from places like the Da Vinci Science Center, Lehigh Valley Zoo and more.

Easterseals will provide activity packs with most of the supplies needed for an awesome camp experience. In addition, families who need a device (tablet or laptop with a webcam is preferable, but a smart phone will work) or internet connectivity should let us know. We will do what we can to assist.

Open House

We are hosting online preview parties in June so parents and campers can meet the camp directors, ask questions, see samples of the activities and get an overview of how everything will work. Visit our website at bit.do/CampLily for information.

Registration

Register online using CampDocs at bit.do/RegisterEasterseals. Registration closes on June 15 for weeks 1-3 and July 10 for weeks 4-6. Contact us to see if space is available if you are registering after the deadline. If you have attended camp in the past, sign up under the name of that same camp. If you are new to camping with Easterseals, register for Camp Lily Berks or Lehigh Valley. During the intake process, we will confirm that you are assigned to the correct camp.
